Provisional Election Day- This is a category used to denote ballots cast due to special circumstances. The limitations of the software do not allow inputting of the special circumstance category. In the 2012 General Election, this category denotes Early Voting paper ballots (no touchscreen ballots were cast) cast on Sunday, November 4, 2012, at the Winter Park Early Voting Site as dictated by Executive Order due to the location being shut down early due to a bomb threat on Saturday, November 3, 2012. These provisional ballots were accepted by the Canvassing Board
